# THE FOUNDATION

The Michael and Cora Betts Legacy Foundation, a non-profit organization, was founded in 2008 by Mike and Debbie Betts. A tragic automobile accident took the lives of two of their children, Michael (14) and Cora (4) much too early.

The overwhelming amount of support that Mike, Debbie, and their other two children, Aspen and PJ, received inspired them to launch the Foundation in hopes of helping families and children in similar situations, but without the same support.

Through fundraisers that best reflect the lives of Michael and Cora, the Foundation is committed to helping children who have lost loved ones. Their hopes are to be an inspiring force to change the world one child at a time.
